CALL FOR TEACHERS Quilt Canada 2019

Guidelines for Proposals

IT IS IMPORTANT THAT YOU READ AND FOLLOW THE INSTRUCTIONS CAREFULLY. Thank you.

- Quilt Canada 2019 will take place June 12-15, 2019 at The EY Centre, Ottawa, ON.
- Please address any queries you may have *well ahead of the **deadline on April 9, 2018*** to Heather Black at vicepresident@canadianquilter.com. Please do **not** leave your queries or the completing of your online application to the last day in order to prevent disappointment.
As this is a preliminary form it is much simpler than in previous years but will still require some thought and time to complete. Should your classes be selected further information will be required upon notification.
- Please note that we will **ONLY** accept online applications. Any applications sent by email or those submitted online after midnight EST on 9th April 2018 **will not be accepted**.
- Please choose workshop/lecture titles and descriptions that inspire & excite. Trendy, original and contemporary is what encourages quilters to sign up.
- Please offer a *variety of inspiring, original, and contemporary topics: 1 day and ½ day workshops and 2-3 hour lecture formats are required*. Please submit a **minimum of TWO topics**.
- Proposals should be compiled in a similar way to an application for a job: By providing us with your social media information we will be able to refer to your bio.
- A website or blog with further information about the teacher, classes & body of work is also helpful.
- As a teacher, you know which of your classes are popular and well supported, also what topics are trending, please consider these for submission. The 2019 Selection Committee will be taking all of this into consideration when the selection process begins. **We are looking for a variety of beginner, intermediate, and advanced topics to interest a full spectrum of quilters.**
- **We welcome design, project and technique classes; in the following areas of quilting, but not limited to: traditional, modern, art; long arm, quilting on domestic machines, and quilting software**

Please address any queries to Heather Black vicepresident@canadianquilter.com
