A separate Evening Lecture ticket is required for admission to the two evening lectures (You do not need an Entry Pass for the evening events.).

4 DAY PASS ADVANTAGE:

If you plan on attending more than 2 days at the show, it will likely be to your financial advantage to purchase the 4-day Multi Pass (even though it has no additional discount for members). It is an excellent value and gives you total freedom to come and go! A 4-DAY MULTI PASS CANNOT BE SHARED – it is for you only!

A BIT ABOUT OUR FORM

- 1) Each person must register separately. REGISTER EARLY!
- 2) Click on the REGISTER BUTTON on the QUILT CANADA 2019 site. The form will open and you will see the logo at the top. The form is one single page, with drop down menus. Some of these menus will not show until you have clicked Member or Non-Member.
- 3) First of all, if you are within the discounted period and are a member, check the member box and type your 4 or 5 digit membership number in the box that pops up below. This will let you into the Workshop etc. section and bring up the discounted prices for you. (Discount Valid Jan 7 to Jan 28 2pm ONLY)
- 4) Choose your Entry Passes – Single or 4 Day Multi and a drop down will come up so you can choose the number of passes (IMPORTANT – BE SURE TO CHOOSE THIS NUMBER). These passes, with their scan code, will come as part of your Confirmation Email. You must have this/these codes with you to be scanned at the show - so print the email or save it to your phone.
- 5) Merchandise can be ordered next, the advantage in buying them now (to pick up at the show) is a discounted pre-order price. The prices of pins and totes will be higher at the show. You can pick up your pre-paid merchandise from the Registration Booth any time we are open at the show.

- 6) I am assuming that you have visited the website and chosen your workshops and lectures, so in moving further down the form you will find the drop downs in the following order:
 - By type - 2 Day, Full Day, Half Day, Evening Lectures and NJS Tours, then by
 - Date - within each subsection the classes are arranged by date.Click on the title of the workshop, lecture etc. that you want and it will check it off for you and add it to your shopping cart.
- 7) You will be able to see the sub-totals add up in the bottom right corner of each section.
- 8) As much as possible we have tried to eliminate Double booking issues, however, it is YOUR RESPONSIBILITY to ensure that you have not double booked yourself. There is a scheduled NJS Tour that WILL allow you to take it on your lunch break from your full and half day workshops, please do not book anything else at all that could conflict with a workshop or lecture that you are taking. It is NOT the responsibility of any teachers to catch you up on anything that you have missed.
- 9) Choose 1 or both evening lectures.
