

WEEK 3 – ‘Barnyard’ #52Blocks52Weeks

Makes a 6 ½” unfinished block

White = light fabric

Light grey = medium fabric

Dark grey = dark fabric

Cutting

From light fabric

Two 1 ½” x 6 ½”

One 2 ½” square

From medium fabric

Two 1 ½” x 2 ½”

Two 2 ½” x 4 ½”

From dark fabric

Four 2 ½” squares

Instructions:

Flying Geese:

On the wrong side of each dark square, draw one diagonal line from corner to corner. Place one dark square right sides together on the medium 2 ½” x 4 ½” rectangle, even with the right-hand side of the rectangle.

Sew directly on the drawn line. Trim away the excess fabric and press the 'flap' back. Place the second dark square on the left-hand side of the rectangle, ensuring the drawn line is coming to a point with the other 'flap'. Sew directly on drawn line, trim excess fabric and press 'flap'. Repeat for second flying geese block.

Sew a 1 ½" x 2 ½" medium rectangle to opposite sides of the 2 ½" light square.

Following the diagram, sew a flying geese block to each long side (top and bottom) of the light square unit. Press.

On both sides of this new unit sew a light strip.
