

Supply List for Quilt Canada 2019 Workshop

Instructor: Tamara Kate

Workshop Title: Pixelation with the Big & Juicy (1003 A.M.)

Date & Time: Friday, June 14, 2019, 8:30 – 11:30 a.m.

Location: EY Centre Hall 1

Sewing machines*

¼" foot

Fabric:

- An assortment of red fabrics (or whatever other colour you might wish to make your apple... yellow, purple...). The larger your selection of fabrics, the more variety of shades you will have to play with in your quilt and the fewer pieces of each fabric you will need cut. I used a range of about 40 fabrics including graphic red & white prints, solids, and two- or three-tone prints with a few deep reds, pinks and oranges to keep things interesting (keep the scale of your patterns to the small side). To prepare for the class, cut about a dozen one and a half inch squares of each fabric. You can always cut more as you go. Because you are cutting such small pieces, this is a great scrap buster project.
- An assortment of green fabrics for the leaf. I used about 15 different ones. Try to find very light greens, through mid-range ones to darker or olive tones. Cut about ten one and a half inch squares of each fabric.
- I will have a range of reds and greens on hand should you be missing a few.
- Ground fabric: We will discuss options in the class.
- Binding fabric: 1/2 m. (not necessary to bring to class).
- Backing fabric: 42" x 52" (not necessary to bring to class).
- Batting: 42" x 52" (not necessary to bring to class).

Other Supplies:

- thread to match
- sewing scissors
- small cutting mat
- rotary cutter
- acrylic rulers: a long one 6" x 12" & a small one 4" square would be handy.
- fabric pins

*** The team organizing Quilt Canada 2019 is working hard to provide domestic sewing machines for all workshops. In the unlikely event CQA/ACC is unable to provide machines for a workshop you are registered for, you will be notified by email.**

Thank you, in advance, for your understanding.

Machine information for each workshop will be updated as it becomes available.
