Kit Fee: \$15 (Payable at the start of class. Correct change is appreciated)

Kit includes: dyes, auxiliaries and handout

Student Supplies:

1. Cotton, Linen, Rayon or silk fabrics that are pre-scoured and ready to add to the dye bath and if they are pre-wrapped/stitched or tied - all the better! Min. 1 and Max. 5 yards, depending on your specific needs.
2. Easily packed items to add to your fabrics to make the wonderful marks that Shibori or wrapped fabric can create when using Indigo including rocks, marbles, stitching added before the workshop day, ropes, sticks for wrapping, synthetic threads for wrapping.
3. TAKE PICTURES OF YOUR PIECES IF YOU CAN pre-workshop so you will know which are yours as they come out of the dye baths - once they are BLUE it will be hard to tell them apart.... notes and a list are helpful. (Identifying threads stitched to corners that are SYNTHETIC threads that will not dye can work. I use TYVEK envelope paper slivers with my name on it printed with a black sharpie and stapled to the corner)
4. Simple hand sewing supplies including polyester thread for stitching, needles for hand sewing, scissors.
5. If possible, bring a plastic table cover to cover your own table for resting your fabrics (a packaged shower curtain liner is easy to pack).

6. Plastic bags for transporting your fabric to your room for rinsing. Large safety pins or clothespins for hanging fabrics to dry.
7. If you are local to Edmonton, driving in or able to visit a Home Depot upon arrival, bring several 2 ft. long plastic pipes for arashi pole wrapping. Crochet cotton or polyester light weight string will be useful for pole wraps.
8. Notebook and pencil. Camera welcome to record your process/project ideas.
