

Row of the Month
Row #7 - Houses & Trees

To make up this row, you will need to sew 4 House Blocks, and 2 Tree Blocks. The House Blocks will measure 6" x 9", finished (6.5" x 9.5", unfinished). The Tree Blocks will measure 3" x 6", finished (3.5" x 6.5", unfinished). The Tree Blocks are made using 1.5" x 3", finished (2" x 3.5", unfinished) Flying Geese Units.

Because these are the same sized Flying Geese Units made in Row #5, I am not repeating the directions to make the Flying Geese Units. Please refer to Row #5 instructions.

Remember to use a scant 1/4" seam throughout.

Happy Stitching Everyone!
Irene
