Fabric Requirements

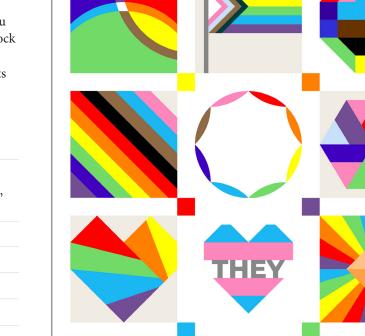

INTRODUCTION

RUE CC OURS Quilt Along 2025

The *True Colours Quilt Along* provides an excellent opportunity to use scraps of colourful fabric that you already have in your stash. While the colours the block designers worked with are inspired by those of the Progress Flag, you can use any solid colours or prints you like to create your own spectrum.

In order to create all 12 of the True Colours blocks, here is a rough idea of what you'll need.
