Location: Halifax Convention Centre – See signage when you arrive for room

Kit Fee: Pattern required to purchase by [clicking here](#)

Quilt Canada
Supplies:

- sewing machine
- Iron (shared)

Student Supplies:

- Pattern, FPP Templates: can be found at <https://carolynfriedlander.com/>
// Davie Quilt Pattern
// FPP Templates - Some foundation templates to use in class will be provided. However, if you have a foundation paper preference, you're welcome to prepare your own templates to bring to class.
- Fabric: See pattern cover for fabric amounts. One fat quarter (18" x 22") yields two quilt blocks. Once cut for the various house sections—roof, back-ground, house and trim—these fabrics can be mixed and matched as desired to create individual houses. Mix and match as desired, OR make all of your houses the same by adjusting the fabric amounts accordingly. If you are unsure--don't worry! We'll discuss fabric strategies and planning in class.
- // Note: Backing, Batting and Binding will be needed to finish project but will not be necessary to bring to class.
- Rotary cutter
- Small cutting mat and ruler
- Fabric scissors
- Thread
- Pins

- (optional) coloured pencils or markers (A colouring page will be provided in class.)
- (optional) seam roller or fingerpress
