Student Supplies: Fabric Requirements:

This is a FQ friendly pattern.

There are two different ways to make a shimmering quilt: You can alternate large prints with tone-on-tone fabrics or use only large prints.

For the Large Print only option: Small: Up to 25 Large Print fabrics

- Medium: Up to 39 Large Print fabrics.
- Large: Up to 61 Large Print fabrics (Note: A large quilt cannot be completed in a 2-day class)

For the Large Print and Alternating Block option:

- Small: 9 Large Print fabrics and up to 24 Alternating Fabrics
- Medium: 15 Large Print fabrics and up to 36 Alternating Fabrics
- Large: 25 Big Print fabrics and up to 60 Alternating Fabrics

If choosing to use the Alternating option, each finished block needs two (similar in colour tone-on-tone fabrics.) Alternating fabrics can be reused if you wish to use fewer fabrics.

Your fabrics should have a variety of high contrast and value.

FQ collections may work if they have high contrast and value.
