

# Supply List for Quilt Canada 2026 Workshop

Instructor: Cathy Tomm  
Workshop Title: Around We Go  
Date & Time: 6/19/2026  
Location: See signage when you arrive for room  
Kit Fee: Yes - Required - \$3.00 in cash in classroom correct change is appreciated.

Optional Kit Includes:

- dice and spinner card

CQA/ACC Supplies:

- Sewing Machine – Husqvarna
- Shared Iron

Student Supplies:

- Rotary cutter
- cutting mat
- larger pair of fabric shears

Rulers - you don't need any but you might like the safety of a 6' by 12' or larger and a square ruler like 12". Lots of cutting is done with no rulers.

- Seam ripper
- Fine pins
- pin cushion
- thread snips
- thread to sew by machine
- Pins for your design wall flannel (safety or not) you need more
- Pen, pencil, I will have a handout
- Flannel white or cream (batting works too) to design on, enough pins to hold fabric to move it home. 40" square is as big as we will have room for. We would love to have design walls but at conferences it just can't happen. Some people love a flannel backed tablecloth, you might pin thought it.
- Phone camera a great design tool

Fabric

- modern quilting often uses solid colours or very low level of prints  
Please leave your high contrasting prints for another project. I started these “around about quilts” with a rainbow challenge. Using 6 colours (red, Purple, Blue, Green, Yellow and Orange, Pink is a red) of the rainbow but having many choices within that colour helps. Scraps with a few fat quarters of each colour will go great together. Optional you can bring a black and White and grey as a neutral also. Cream and Brown can be part of your yellows if you not like yellow. The more variety the better. Please have your fabric sorted into at least 6 piles of your colours plus your neutrals . If you brought, scrappy bits, iron them flat and pack to keep mostly flat. Solid precuts can help give you more variety. But be sure to have a couple Fat Quarters or ¼ yd cuts. How much total maybe a shoe box amount if your flying, a little more if your driving.
- Hand dyes and Batiks and linen and shot cottons all can be using used with your solids if you like. Keep the contract low with in each fabric.

Please contact me by email if you have questions. You can send photos of your fabric if you would like. Cathy Tomm email <mailto:cathytomm@gmail.com>
